## 2005 AWARD ERYK S CONCEPT NUVO

presented by **HIGH Fidelity**  
in the category of LOUDSPEAKERS

The exquisite workmanship and great sound of the stand-mounted speakers Eryk S Concept NUVO have resulted in a combination that has won the appreciation of among others the British magazine 'Hi-Fi News'. NUVO shows that it is possible to design a perfectionist looking and sensationally sounding product at a very reasonable price!

ERYK S CONCEPT NUVO • €3000

## Polished Performer

Reference-class drive units in a classy cabinet: stand-mounted speakers don't get much better! Andrew Harrison tries this new Polish design...

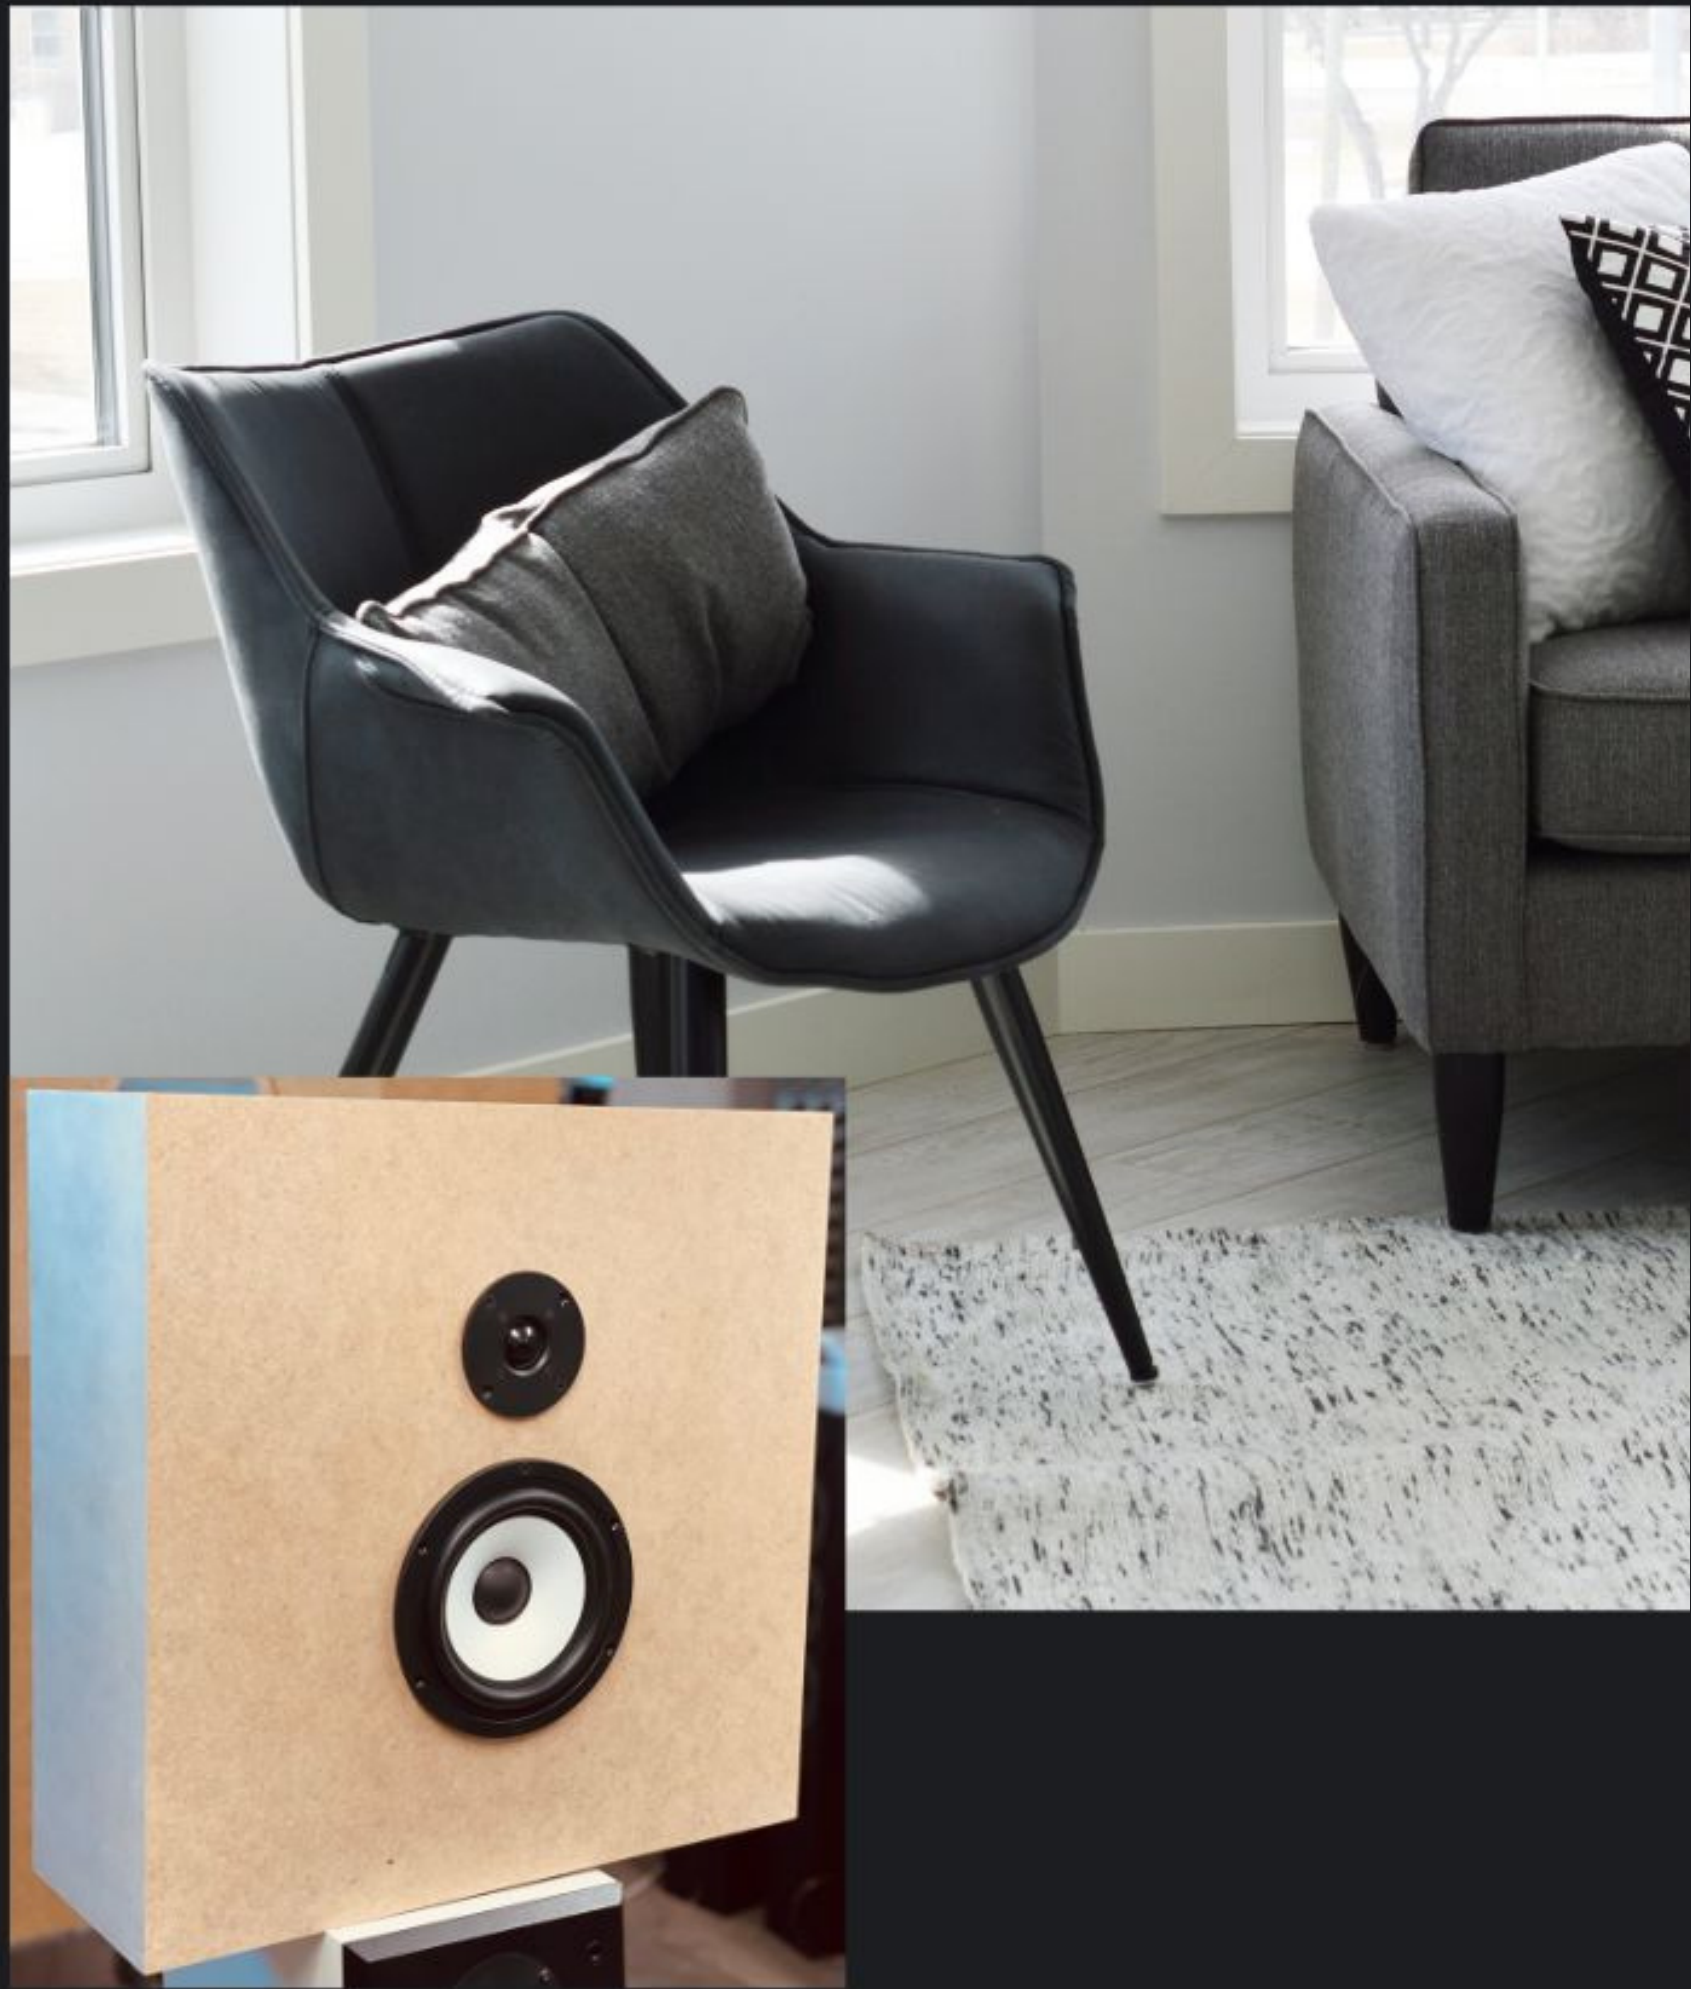

**M**oving up from the mini-monitor category are what one might call the maxi-monitors — relatively compact speakers in larger cabinets with larger bass drivers, more closely approaching full-range reproduction. The Nuvo is different. It's all wrapped up in

a decently-sized cabinet, but most of that volume comes from a 400mm deep box, with a more familiar 370 x 180mm sized front face. And each front baffle sports two very high quality drivers: a '150mm' Seas Excel mid/bass driver and Visaton ribbon tweeter. While ribbons are often prized for
